# MINUTES OF THE MEETING

---

**Date:** 8/2/24

**Meeting Minutes:** February 8, 11:00 AM to 12:00 PM

**Venue:** Online

**Participants:**

- Mr. Akash- Futureense Employee
- Jain University Students

**Agenda:**

1. SQL exercise
2. Initial DB Setup and CRUD

**Summary:**

Mr. Akash assigned students an exercise(#48 Analyzing the World Database) to work on and asked students to upload the same on GitHub. He showed the students Initial DB Setup and CRUD. He asked the students to complete the Pandas task assigned last week.

**Action:**

- Assigned students to make a MoM
- Complete the pandas task
