
MINUTES OF THE **MEETING**

Date: 22/1/24

Meeting Minutes: January 22 , 9:30 AM to 3:30 PM

Venue: Futureense Technologies

Participants:

- Mr. Sanju - Futureense Employee
- Ms. Devi – Futureense Employee
- Jain University Students

Agenda:

1. To present the previously assigned tasks
2. Group Discussion
3. Assign new task to the students

Summary:

Ms. Devi conducted Group Discussion activity for all students and separated them into batches. All students received feedback about their involvement in the group discussion and was given a few points for improvement. Mr. Sanju ensured all students were up to date with the tasks so far and verified if the files were uploaded on GitHub and Google Drive. New task was assigned to students which was a group project for Tic Tac Toe. Students were asked to make their own team with maximum 4 team members and were asked to choose their own roles in the project. Deadline was announced as 25th January.

Action:

- Students have to make the Tic Tac Toe project in a group and choose their roles in the project. Project to be done by 25th January.
- Assigned students to make a MoM
